FACTEQ[®] 2027
Factory Equipment Expo

5 – 8 August 2027

Yashobhoomi (IICC), Dwarka, New Delhi

Co-located Show

Powered by

www.facteq.in

AN EXCLUSIVE SHOW ON FACTORY EQUIPMENT

FACTEQ is an exclusive exhibition on factory equipment focusing on products and solutions to meet the requirements of new factories and necessitating upgrade of existing facilities. The exhibition connects equipment manufacturers and factory designers, builders, and managers under one roof.

FACTEQ is co-located with Delhi Machine Tool Expo (DMTX) 2027, a leading machine tool and manufacturing technology exhibition in northern region. The exhibition is organised by Indian Machine Tool Manufacturers' Association (IMTMA), organiser of IMTEX (South and Southeast Asia's leading machine tool and manufacturing technology exhibition).

Exhibitor Profile (Brief)

Air & Water Systems

HVAC

Material Storage & Transport

Security & Safety Systems

Electrical & Lighting Systems

Sustainable & Environment Solutions

Maintenance Systems & Equipment

Information System & Hardware

Factory Furniture

Building & Construction

Clean Rooms

Digital manufacturing solutions are provisioned under Delhi Machine Tool Expo 2027. Please visit www.mtx.co.in for details.

Please refer guidelines for detailed exhibitor profile.

Advantages of Participating in

- Build your brand amidst hundreds of leading domestic & global players
- Connect with new customers representing various manufacturing industries
- Buyer delegations from targeted industry segments
- Extensive advertising and editorial coverage
- E-marketing through newsletters, website, and other digital mediums
- Instant updates on exhibitors' products
- Pre-schedule meetings with visitors online

Visitor Profile

- Chief Executives
- ESG Managers
- Facility Managers
- Factory & Plant Managers
- Factory Consultants
- Factory Owners
- Factory Security Heads
- General Management Heads
- Government Officials
- Health & Safety Managers
- HR & Administrative Heads
- IT Administrators
- Maintenance Heads
- Operational Heads
- Production Heads
- Purchase Heads
- Quality Assurance Heads
- Risk and Compliance officers
- Service Engineers
- Stores Managers
- Water and Waste Water Treatment Supervisors
